## Paypool™ Partnership Program

Paypool™ works with a diverse group of partners, offering many ways for you to bring accounts payable automation to your clients. Our scalable software, dedicated client services team and pricing allow us to offer partnerships that fit your organization – not the other way around.

**Accounting Partners:** We partner with accounting firms of all sizes to automate their clients' AP.

**Technology Partners:** Paypool™ can integrate directly with your accounting software, providing a seamless payment solution for your existing client base.

**Business Outsourcing Partners:** When you manage business processes on behalf of your clients, efficiency is key. Paypool™ can be an integral part of your business outsourcing services.

**Referral Partners:** We offer a referral program for other outsourcing, service and technology providers with the common goal of addressing AP challenges.

We can work with your clients directly or let you maintain control of the client relationships. With pricing incentives, flexible technology and professional staff, we focus on bringing value to you and your clients.

**Join the Paypool™ partner network today.**
